Recommended Action/Motion:

Approve retroactive amendment No. 1 to Revenue Agreement 19-244 with Board of State and Community Corrections in the amount of \$15,930 to provide mental health training to the Corrections Division of the Mendocino County Sheriff's Office with a new term end date of September 30, 2021; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

On October 22, 2019, the Board authorized the Sheriff's Office to accept \$15,930 in funding from the Board of State and Community Corrections to provide mental health training to the Corrections Division of the Mendocino County Sheriff's Office

Summary of Request:

This amendment extends the end date of grant agreement no. BSCC-0048-18-MH from September 30, 2020 to September 30, 2021. This extension gives entities who had not yet done the training due to COVID restrictions one more year to utilize the funds.

Grant agreement no. BSCC-0048-18-MH facilitates disbursement of the Board of State and Community Corrections (BSCC) Mental Health Training Grant made available through the Edward Byrne Memorial Justice Assistance Grant (JAG) program. The BSCC is disbursing \$7 million to local corrections agencies for a statewide mental health training initiative. The goal of this training initiative is to provide funding to local corrections agencies for critical mental health related training to their staff.

This funding is being provided for two purposes:

- 1) Mental health training for local corrections staff;
- 2) Instructor training for new behavioral health training required by the Standards of Training for Corrections (STC) and is part of the Adult Corrections Officer Core Course.

The funds can only be used to send STC participating staff to mental health related training within the State of California. Mental health related training is broadly defined to include single classes or multiple class courses of training that include content such as: signs and symptoms of mental illness; substance use disorder; trauma informed care; stigma and bias; crisis intervention; de-escalation techniques; and suicide prevention and other courses with mental health related content. The Sheriff's intent is to use these funds to provide Critical Incident Training for correctional staff.

This item is retroactive due to the misrouting of the extension agreement.

Return to staff for alternative handling.
