Summary of Request:

On April 24, 2020, Mendocino County Health and Human Services Agency (HHSA) became aware of available state funding for the "Great Plates Delivered" Program, a meal delivery service for California's older adults. Mendocino County HHSA immediately pursued this funding opportunity, and coordinated with state agencies, in addition to local restaurants, to launch the "Great Plates Delivered" Program for the benefit of Mendocino County.

Great Plates Delivered has two purposes: 1) To help seniors (65+) and other adults (60-64) at high risk from COVID-19, (having documented exposure to COVID-19 or underlying health condition) to stay home and stay healthy by delivering three nutritious meals a day; and 2) To provide essential economic stimulus to local

businesses struggling to stay afloat during the COVID-19 crisis.

HHSA originally coordinated with five restaurants to prepare and deliver up to three meals a day to local homebound seniors. Over the previous months, and with positive response from the community, HHSA has coordinated with two additional restaurants to provide meals within Mendocino County.

This item requests execution of a first amendment to the Great Plates Delivered contract with Angelina's Bar and Grill. The proposed amendment will increase the current contracted amount from \$50,000 to \$150,000.

HHSA additionally requests that the Board of Supervisors delegate authority to the Purchasing Agent to sign amendments through March 31, 2021. The total for such amendments, which is calculated at current program meal costs and number of participants, is not to exceed \$300,000. HHSA makes this request as a result of discussion from the September 22, 2020, Board Meeting where delegation of signing authority to HHSA through December 2020 was considered. To date, the state has extended the program monthly, and HHSA expects the state will continue to extend the program during the ongoing COVID-19 pandemic. Short notifications from the state, however, have caused hardships for the restaurants as they are forced to provide food and services without payment while amendments are being executed. These late notifications from the state are the reason the amendments, including the one proposed today, have been retroactive. Delegation of signing authority will allow more timely processing and faster turnaround times for payments to restaurants providing services through the Great Plates Delivered Program.
