Summary of Request:

The draft agreement with Redwood Community Services is to provide Residential Treatment Facility operations and crisis residential services on a transitional basis to Mendocino County adults, aged 18 years or older, who are experiencing a mental health crisis. The goal of the program is to reduce the utilization of psychiatric inpatient facilities. The maximum length of stay is 30 days, with an average length of stay of 14 days. Redwood Community Services shall transition clients from higher, more expensive levels of mental health services to more independent, lower levels of care and housing in the community.

Behavioral Health and Recovery Services released a Request for Proposal (RFP) for a Crisis Residential Treatment Facility Operations on August 11, 2020. The RFP resulted in submission of one qualified proposal. The Crisis Residential Treatment Facility operations will be funded through Medi-Cal, Realignment, and Mental Health Services Act. The reduction in psychiatric hospitalizations as a result of the Crisis Residential Treatment Facility will allow for redirection of the funding to cover the operational cost.
