**Summary of Request:**

Mendocino County Health and Human Services Agency (HHSA) currently contracts with Mendocino Coast Hospitality Center (MCHC) to provide shelter services and related resources to clients on the north coast, to address the needs of the HHSA General Assistance (GA) clients and all Mendocino County persons who are at risk of, or currently experiencing, homelessness. MCHC provides beds, meals, shower and laundry facilities, phone access, mail delivery, other amenities, outreach, and housing assistance to qualified individuals.

In Fiscal Year (FY) 2020-21, to date, MCHC has provided a total of 3,999 bed nights of shelter, for an average of 500 occupied beds per month. In terms of showers provided to individuals experiencing homelessness, 3,380 showers have been provided, for an average of 423 per month. In regards to laundry services, 1,749 loads of laundry were washed and dried by persons using this service. Additionally, 6,521 meals have been served to persons in need, for a monthly average of 815 meals. These figures help to illustrate the need for these services in the community and show the impact of County General Fund dollars supporting the Agreement.
