Item Type: Consent Agenda

Agenda Title:

Approval of Letter of Support for Assembly Bill 174 (Bigelow) - California Transportation Commission Membership

Recommended Action/Motion:

Approve letter of support for Assembly Bill 174 (Bigelow) - California Transportation Commission Membership; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

No previous action.

Summary of Request:

The California Transportation Commission's mission is to be a unified voice for transportation issues in California; however every current member of the California Transportation Commission resides in a county with a population over one million people. It is difficult for the Commission to meet their mission as a unified voice for transportation issues in California without a representative from a small rural county. AB 174 will ensure the voices of small, rural California counties are heard on the Commission by requiring one voting member of the Commission to reside in a county with a population of less than 100,000. AB 174 is consistent with the County's 2017 Legislative Platform for transportation advocacy and local control.

Alternative Action/Motion:

Do not approve letter or provide alternative direction.
