Recommended Action/Motion:

Approve purchase of a Tyler Manager Software Module for Enhancements to the MUNIS Finance System Software in the amount of \$56,700; and approve related budget transfer of \$56,700 from budget unit 1960, Information Services, line item 864370 to line item 862239 for the purchase of a Tyler Manager Software module.

Previous Board/Board Committee Actions:

The funding for this purchase was included in the Fiscal Year 2017-18 Budget, however, it was allocated in the Fixed Asset line item rather than Special Department Expense.

Summary of Request:

Transfer funds from the equipment line item, 864370, to the special department expense line item, 862239, for the purchase of one Tyler Manager Software module. The module will enhance the County's MUNIS Finance System software by allowing users to scan accounts payable invoicing into the MUNIS system. This will allow users, when doing queries, to click on the invoice document number and pull the invoice up right there, saving employees' time as a result. The product description and Appropriation transfer form are attached for Board of Supervisors consideration.
