Ongoing item, last action: June 19, 2018, Item 4(ab), BOS Agreement No. 18-088

Summary of Request:

Crestwood Behavioral Health Inc., provides secure residential treatment programs that deliver a broad range of services for adults requiring a structured environment due to mental health challenges. Levels of care include the provision of groups, trainings, and programs to promote the recovery of clients for independent living in the community. The County's goal is to transfer clients to a less restrictive residential setting as soon as they are medically able. Basic daily rates vary depending on the level of care.

The original contract with Crestwood Behavioral Health Inc., was approved by the Board of Supervisors on June 19, 2018 in the amount of \$350,000 using a rate breakdown as provided by Crestwood Behavioral Health Inc. The initial budgeted cost for the original contract was an estimate based off the rate breakdown. Due to additional placements in the facility, the costs have increased since initial budgeting for fiscal year 18-19. This Amendment will allow an increase of \$141,449 for a new total of \$491,449 to continue providing mandated residential mental health treatment to Mendocino County BHRS Lanterman Petris Short Conservatorship (LPS) clients currently in placement and receiving treatment at this facility.

Alternative Action/Motion:

Return to staff for alternative handling.
