Previous Board/Board Committee Actions:

On February 17, 2015, the Board of Supervisors adopted Ordinance No. 4333, which included the adoption of the 2013 California Building Code. On March 7, 2017, the Board of Supervisors adopted Ordinance No. 4380, which included the adoption of the 2016 California Building Code. On November 12, 2019, the Board of Supervisors introduced and waived the first reading of an ordinance to adopt the 2019 California Building Code, and set the date of December 10, 2019, for a noticed public hearing.

Summary of Request:

The State of California adopts new building construction codes every three years, referred to as the California Building Standards Code. The new 2019 California Building Standards Code will become effective January 1, 2020, and are enforced locally as mandated by the State. Staff has prepared a proposed ordinance adopting the 2019 Code into Chapter 18.04 of the Mendocino County Code, making amendments to the 2019 Code based on local Mendocino County conditions, and adopting additional appendices of the California Building Standards Code which were not specifically adopted by the State.

Please see the staff memorandum prepared for this agenda item for additional information.

Alternative Action/Motion:

Not adopt ordinance, provide direction to staff. Taking no action would result in the State mandated codes

being applied by the Department of Planning and Building Services beginning January 1, 2020.
