Summary of Request:

During the September 12, 2017, Board of Supervisor's meeting, the Chief Executive Officer (CEO) provided an update to the Board regarding the Cannabis Working Group calls via the CEO Report. The report included an update on the August 30, 2017, calls hosted for the Cannabis Working Groups. This first call consisted of 30 participants including key County staff members. Call participants discussed the proposed working groups as well as additional topics to consider, resulting in the formation of the following eight working groups:

- Requirements for Building use
- Track and Trace
- Overlay Zones, Exemptions and/or Exclusion Zones
- State License Requirements/Amendments to State Law
- Cycles/Number of Inspections
- Transferability
- Non-Cultivation
- Marketing

Based upon feedback received from the working group participants, the top four working groups identified were as follows:

- Track and Trace
- Requirements for Building Use
- Overlay Zones, Exemptions and/or Exclusion Zones; and

- State License Requirements/Amendments to State Law

The Executive Office coordinated the four working group calls for September 13 & September 14, 2017. The comments and/or issues submitted by the working group participants are attached for Board of Supervisors review. Additionally, calls are scheduled for September 20 & September 26, 2017. All working group calls are recorded and available for the public and the Board of Supervisors information and review. Given the late hour of the working group calls, staff did not have an opportunity to summarize the input for Board consideration.
