Summary of Request:

The Mendocino County Planning and Building Services Department is responsible for creating and maintaining the Master Grid and Property Numbering System used to assign physical or 'situs' numbers to parcels in the unincorporated areas of the County. The primary purpose of this responsibility is to coordinate the application of emergency services when needed, as well as to maintain an organized file system within the Department based on property addresses. In addition, the Department is also tasked with processing road name petitions filed by property owners, or filing petitions on the County's behalf when the need arises. A petition has been submitted by the Golden Rule Church Association to adopt names for the network of private roads that serve the existing church, mobile home park, associated residences and community buildings. The Golden Rule Church Association parcels are located on the West Side of US 101, 6.5± miles southeast of the City of Willits at 16200 N. Hwy. 101, Willits. The proposed road names are *Ridgewood Ranch Road*, *Mobile Village Way*, *Seabiscuit Drive*, *Oak Ridge Circle*, *Orchard Lane*, *Garden Lane* and *Maple Lane*. Collectively, this road network provides service to more than 15 parcels and over 50 residential units, including a mobile home park.

Alternative Action/Motion:

- 1) The Board of Supervisors rejects adoption of the proposed road names, leaving the existing roads

unnamed.

- 2) The Board of Supervisors adopts a different name for the road network, naming it _____, and directs staff to assign the proper addresses.
