August 7, 2018, Item 4(r), Resolution 18-114 and Agreement No. 17-94594.

**Summary of Request:**

The California Department of Health Care Services (DHCS) administers the Mental Health Services Act (MHSA), Lanterman-Petris-Short (LPS) Act, Projects for Assistance in Transition from Homelessness, the Community Mental Health Services Block Grant, and programs funded through the Crisis Counseling Assistance and Training Program. Pursuant to the Bronzan-McCorquodale Act (which requires mental health systems to provide mental health services to children and adolescents who have a serious emotional disturbance, and to adults who have a serious mental illness), DHCS oversees county provision of community mental health services and routinely requires Mendocino County to sign Agreements outlining performance expectations.

Adoption of the proposed Resolution will authorize the Health and Human Services Agency (HHS), Behavioral Health and Recovery Services Director, to sign Agreement No. 18-95255, which is one of the County's performance contracts as required by Welfare and Institutions Code. This Agreement sets forth conditions and requirements that the County must meet in order to receive funding for mental health

programs and community mental health services. This particular Agreement does not cover federal financial participation or State general funds as they relate to Medi-Cal services provided through the Mental Health Plan Contracts. There is another agreement in place with DHCS that governs delivery of those services.

As with previous performance contracts, DHCS is requesting approval of a retroactive start date; HHSA received Agreement No. 18-95255 from DHCS in September 2019 with a retroactive start date of July 1, 2018.
