Summary of Request:

Mental Health Services Act (MHSA) Programs have completed the annual update of the Community Program Planning Process required by the Mental Health Services Oversight and Accountability Commission (MHSOAC), a state oversight entity. This process included collecting feedback from MHSA stakeholders throughout the year through community forums, other stakeholder feedback venues outlined in the Plan Update, a 30 day public review and comment period April 25 - May 25, 2016, and a public hearing to collect feedback on May 23, 2016. The Plan Update was reviewed and approved by the Behavioral Health Advisory Board on June 14, 2016. Completion and approval of the update is required annually as a status report to the MHSOAC in order to ensure funding for the next year. This is the final year of the current 2014-2017 three year plan.
