Agenda Title:

Approval of Transfer of Unallocated Funds in the Amount of \$21,386 from Air Quality Management District's AB923 Fund Balance to the District's Carl Moyer Program Trust Account To Be Used as Matching Funding for Additional State Funds

Recommended Action/Motion:

Approve transfer of unallocated funds in the amount of \$21,386 from the District's AB923 fund balance to the District's Carl Moyer Program trust account to be used as matching funding for additional state funds.

Previous Board/Board Committee Actions:

October 23, 2012 - Approval of transfer of funds in the amount of \$200,000 from the District's AB 923 Fund Balance to the District's Carl Moyer Program Trust Account to be used as match funding.

Summary of Request:

In 2004, Assembly Bill 923 was approved, authorizing an additional surcharge of \$2.00 on motor vehicle registrations for remediation of air pollution caused by motor vehicles. In 2006, the Board approved the District's School Bus Replacement Program for the expenditure of AB 923 funds. Since 2006, a total of \$1,603,209 has been allocated to School Bus replacements using AB 923 funds, in addition to \$1,950,000 dollars in funding for School Bus Replacements under Proposition 1B (2006 Bond Measure). AB 923 also authorizes the funds to be used as match funding for the Carl Moyer Program. The Carl Moyer Program creates incentives in the form of grants for private companies and public agencies to replace older heavy-duty diesel engines. The District currently has \$17,439 in match funding available in the Carl Moyer Program Trust Account. The match fund requirement for the Year 21 (fiscal year 18/19) Carl Moyer Program application is \$38,825. With the addition of the matching funds the District total allocation from ARB for fiscal year 2018/2019 is increased from \$200,000 to \$258,835. The District is requesting Board authorization to transfer an additional \$21,386 of unallocated funds from the District's AB 923 Fund Balance to the District's Carl Moyer Program trust account to add to the remaining match funds and allow the District to meet the match funding requirement for Year 21 of the Carl Moyer Program. The Year 21 Carl Moyer Program application is pending Board approval by a corresponding agenda item on February 26, 2019.

Alternative Action/Motion:

Not approve the District's request to transfer unallocated funds from the District's AB923 Fund Balance to the District's Carl Moyer Program trust account to be used as matching funding for the Carl Moyer Program and

direct District staff to locate alternative sources for match funds.
