Summary of Request:

On June 1, 2020, the Department of Housing and Community Development released a Notice of Funding Availability for the Emergency Solutions Grant, COVID-19 (ESG-CV), funded through the Coronavirus Aid, Relief, and Economic Security (CARES) Act passed by Congress on March 27, 2020. The ESG-CV provides funding to prevent, prepare for, and respond to coronavirus among individuals and families who are experiencing homelessness or receiving homeless assistance, and to support additional homeless assistance and homeless prevention activities to mitigate the impacts created by coronavirus.

On November 18, 2021, Mendocino County used ESG-CV funds to enter into an Agreement with the City of Fort Bragg in the amount of \$39,908 for emergency shelter services to persons experiencing homelessness in the Mendocino Coastal Area during extreme weather events, effective through March 31, 2022. Due to continued winter weather conditions, with colder than expected nighttime temperatures, this proposed Amendment extends the Agreement end date through April 30, 2022, to help ensure individuals and families experiencing homelessness have a safe location to shelter. This population includes, but is not limited to, families with children under the age of 16, the elderly, and severely disabled individuals who are most at risk of the environmental conditions expected within this extended time period.

Alternative Action/Motion:

Return to staff for alternate handling.
