Summary of Request:

The Budget Act of 2021 provides up to \$31 million to support the Coastal Commission's LCP Local Assistance Grant Program which awards grants to local governments to support coastal resiliency and updates to Local Coastal Programs (LCPs). The goal of the grant program is to develop new or updated LCPs in conformance with the California Coastal Act and to promote coastal resiliency and address the effects of climate change.

The proposed project consists of completing a multi-element update of the Mendocino County Local Coastal Program (LCP) and associated technical studies. The overall goal of the project is to improve local coastal planning in Mendocino County to better address coastal resiliency and climate change adaptation by updating technical studies, descriptions, policies, maps, and the implementation plan for the LCP in order to adapt to the impacts of climate change, sea level rise, and associated coastal hazards while maintaining the overall quality of the coastal zone environment in the interest of all people.

Details of the project can be found in the attached application.

Alternative Action/Motion:

Return to staff for alternative handling.
