Recommended Action/Motion:

Approve Amendment to BOS Agreement No. 22-132 with Willow Glen Care Center in the amount of \$455,000 for a new Agreement total of \$755,000, to provide residential care to Mendocino County Lanterman-Petris-Short clients, effective upon full execution, through June 30, 2023; authorize the Behavioral Health and Recovery Services Director or designee to sign any future amendments that do not increase the annual maximum amount; and authorize Chair to sign same.

Previous Board/Board Committee Actions:

June 7, 2022, Item 3(v), Approval of Agreement No. BOS-22-132.

Summary of Request:

The Lanterman-Petris-Short (LPS) Act is the California law governing the involuntary civil commitment of individuals who, due to mental illness, pose a danger to themselves, a danger to others, or who are gravely disabled and require inpatient psychiatric care. The intent of the LPS Act was to end inappropriate lifetime commitment of people with mental illness and firmly establish their right to due process while significantly reducing state institutional expense.

Pursuant to the requirements of the LPS Act, Mendocino County is responsible for providing residential care services to LPS clients who are court-mandated to receive a specific level of care requiring a structured environment due to mental health challenges. Currently, there are no local facilities in Mendocino County that are able to provide all levels of care as mandated by the courts. In addition, there is a shortage of residential care facilities statewide, which creates competition for these placements. As a result, Behavioral Health and Recovery Services (BHRS) contracts with multiple residential care facilities in order to help manage the shortage, and to maintain current client placements ensuring the most appropriate care within the largest possible placement options.

Willow Glen Care Center is one of a few residential care facilities able to provide services to Mendocino County LPS clients. Willow Glen Care Center, located in Yuba City, California, provides a broad range of services in

different locations to adults requiring a structured environment due to mental health challenges. Services include group therapy, trainings, entertainment/recreation, transportation and programs to promote the recovery of clients for independent living in the community. The County's goal is to transfer clients to a less restrictive residential setting as soon as they are able.

On June 7, 2022, the Mendocino County Board of Supervisors approved Agreement No. BOS-22-132 with Willow Glen Care Center for mental health residential treatment services. The original amount of the Agreement was estimated based on the number of clients at Willow Glen Care Center in the beginning of the fiscal year, with the anticipation of some clients moving to a lower level of care before the end of the contract period. This estimate was inaccurate, with more clients continuously needing a higher level of care throughout the term of the Agreement. The proposed Amendment to Agreement No. BOS-22-132 increases the total amount available for mental health residential treatment services, in order to continue court mandated mental health services to Mendocino County LPS conserved clients.

Alternative Action/Motion:

Return to staff for alternative handling.
