**RE: Request for Coordination and Review of Annexation Workshop Materials**

Thank you for the materials provided during the City's recent annexation workshop. Unfortunately, the information released to the public on June 11, 2026, contains inaccuracies that were not discussed, verified, or collaboratively reviewed with the County in advance.

This is concerning given the City Manager's statements on June 8, 2026, emphasizing the importance of partnership and collaboration between the city and the County. Moving forward with information known to be inaccurate makes it difficult to maintain the trust that is essential for progressing such a significant annexation effort.

The County remains committed to a transparent, coordinated process and is requesting that future materials containing country-related information be jointly reviewed to ensure accuracy and consistency before being presented to the public.

Sincerely,

Darcie Antle  
Chief Executive Officer
