### Argument's

1.) Claimant/Plaintiff will argue, that he is entitled to file a Late civil claim because, there exist a "On Going" legal issues, that's argued under the First Amendment of the United States Constitution

Here, Claimant/Plaintiff, will continue to argue, that this instant, civil claim against the County of Mendocino consist of several employees under the County of Mendocino. Have "retaliated" against the Claimant/Plaintiff, for exercising his First Amendment Rights, to filing a civil lawsuit and/or Institutional Investor Grievances and/or Citizen Complaints against either them or the County of Mendocino, that may have happen, prior to the date of November 22, 2025. As this instant civil claim, will show cause, of "Ongoing", retaliatory acts against the Claimant/Plaintiff, for his e.g. late claim.

prior litigations, against several employees, employed Past or Present, with the County of Mendocino in their individual and/or collective positions, within the County of Mendocino.

2.) Claimant / Plaintiff, will argue, that the Past Violations of the Claimant / Plaintiff, First Amendment Rights, continue to Present, As Claimant / Plaintiff, recently was back within the very same type of environment for employees of the County of Mendocino, to again "retaliate" against the Claimant / Plaintiff, who have again file numerous, institutional inmate grievances, against ~~multiple~~<sup>ms</sup> multiple employees, employed under the County of Mendocino, in a "On Going" litigation. As the instant civil claim, filed against the County of Mendocino, is vague, because the full civil action, will show cause later, in the Federal Court, for violations of the Claimant / Plaintiff First, Fourteenth, and Eighth Amendments as they have "participated", in these above mention, violations of the United States Constitution, that will regulate claims

be litigated in a much larger civil lawsuit that will include other defendants from Ukiah Police Department, and CDCR - California Department of Corrections and Rehabilitation - CDCR - Pretrial Ukiah Unit.

3.) Claimant / Plaintiff, will show Cause in his Opening Brief, in the Federal Court, that he is now in his legal rights to file a Civil action, against Employees of the County of Mendocino if, he can show Cause, that the issues argued has a nexus to a Past civil actions, where defendants have continued to "retaliate" against the Claimant / Plaintiff for his "Past" litigations. Constituting a "Ongoing" litigation, that warrant, the Claimant / Plaintiff, to be "Granted" Leave by the County of Mendocino at this date, to file a "Late" Claim against the County of Mendocino.
