THE FIVE KEYS TO EFFECTIVE EMERGENCY SHELTER

HOUSING FIRST APPROACH

Align shelter eligibility criteria, policies, and practices with a Housing First approach so that anyone experiencing homelessness can access shelter without prerequisites, make services voluntary, and assist people to access permanent housing options as quickly as possible.

SAFE & APPROPRIATE DIVERSION

Provide diversion services to find safe and appropriate housing alternatives to entering shelter through problem-solving conversations, identifying community supports, and offering lighter touch solutions.

IMMEDIATE & LOW-BARRIER ACCESS

Ensure immediate and easy access to shelter by lowering barriers to entry and staying open 24/7. Eliminate sobriety and income requirements and other policies that make it difficult to enter shelter, stay in shelter, or access housing and income opportunities.

HOUSING-FOCUSED, RAPID EXIT SERVICES

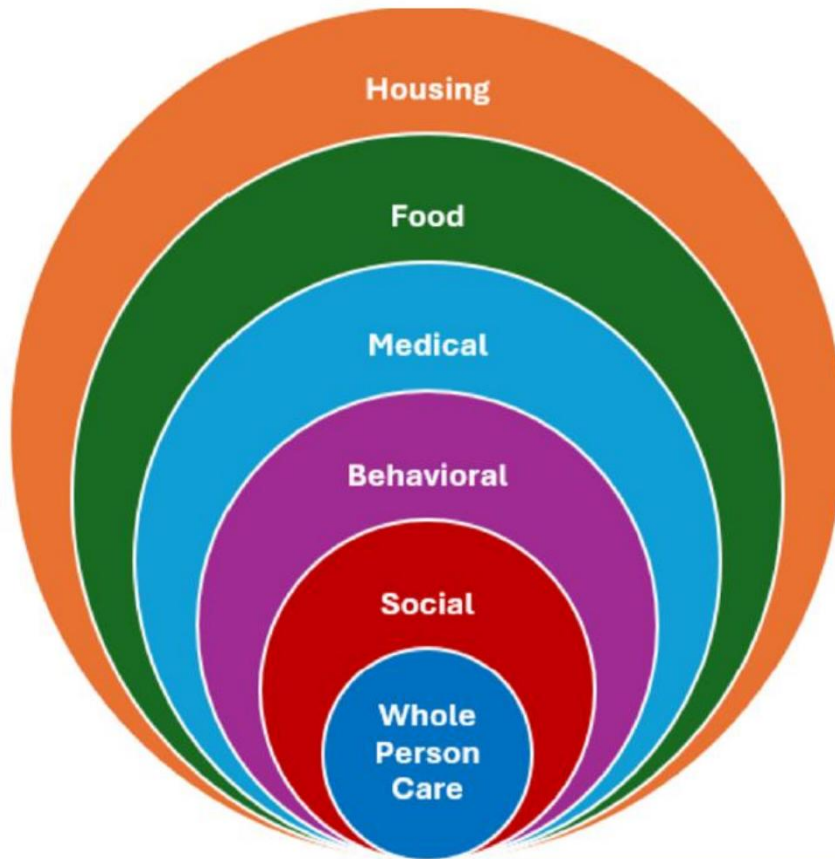

Focus services in shelter on assisting people to access permanent housing options as quickly as possible.

DATA TO MEASURE PERFORMANCE

Measure data on percentage of exits to housing, average length of stay in shelter, and returns to homelessness to evaluate the effectiveness of shelter and improve outcomes.

RCS Strategic Plan

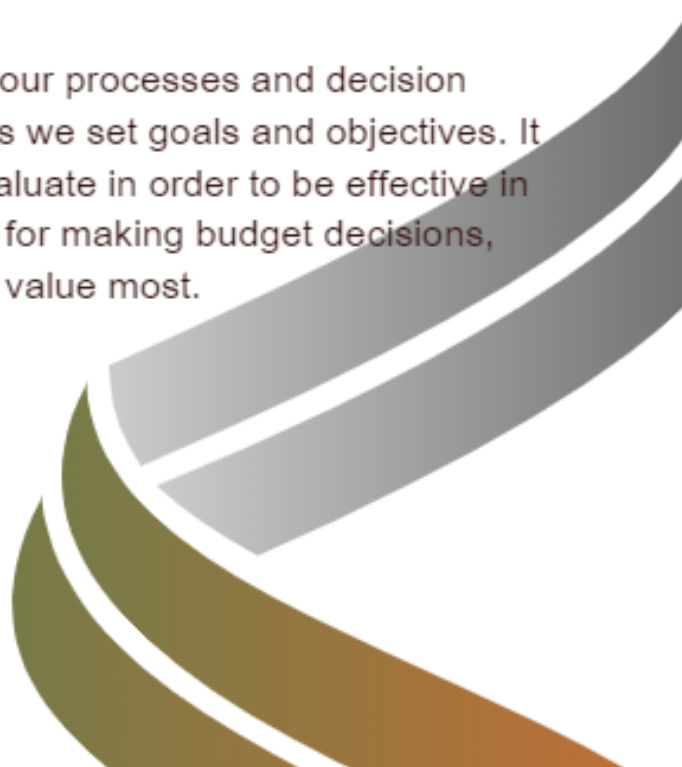

EXECUTIVE SUMMARY

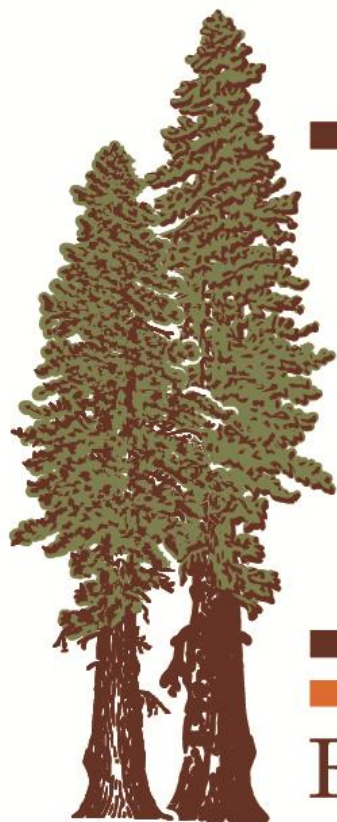

Our mission, *to empower communities for long-term success*, and our vision for a *vibrant, healthy, compassionate community where people feel seen, heard, and valued*, express our fundamental purpose and the ethical principles that guide us in our work.

Our strategic plan is the framework for our processes and decision making. It informs and aids our focus as we set goals and objectives. It guides us on the data to collect and evaluate in order to be effective in accomplishing our goals. It is the basis for making budget decisions, and it serves as a reminder of what we value most.

STRATEGIC PLAN GOALS

- Fiscal Strength
- Quality Care
- Employer of Choice
- Communications
- Equity, Diversity & Inclusion
