I was hoping for a 30 day extension after board approval

Mendocino County B.O.S. and Brittany O'Ferrall,
Due to unforeseen circumstances, we missed the deadline for submitting the list for medical supplies. The first of the year I took over as Fire Chief in Laytonville, and somehow the deadline was not passed on to me. As a Fire Department, Ambulance Provider in the county, and EMT and First Responder Training Facility, we would hate to miss out on this funding for medical supplies. Please consider an extension for us as we have some specific needs that are currently unfunded. Is there a further process to apply for this extension?
