Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

As a Mendocino County resident and planning professional with over 13 years of experience, I care deeply about preserving the character, environmental integrity, and agricultural heritage of our communities. I have worked in local government planning throughout the region and previously served as a Planning Commissioner for the City of Ukiah, where I participated in public hearings and thoughtful decision-making on development projects. My experience has given me an understanding of housing needs, rural land use challenges, wildfire considerations, and the importance of balancing growth with community values. I am committed to listening carefully, applying adopted policies fairly, and helping ensure decisions reflect both community input and long-term sustainability for Mendocino County.
