Description of Agreement

Mendocino County CA2014.002-LOA202
Offer Expiration Date: July 26, 2022

Mendocino County is requesting Professional Services Consulting support to help elevate staff's Aumentum proficiency and converted records processing through the performance of key Business Processes and other consulting support.

The County and Aumentum Tech agree to the following:

- Aumentum Tech will provide billable consulting services to the County in support of Key Business Processes and other consulting support.
- Work will be performed as hourly consulting at a rate of \$185 per hour.
- Work can include (but not limited to) refresher training, tools support, process support, process re-engineering, production data entry, configuration assistance, system optimization or other health checks.
- Aumentum Tech has provided a separate sample menu of services. This is not intended to be a complete list but can be used as a guide to the types of services that are available.
 - As the users become more comfortable with Aumentum, the County can also consider booking a specific period of time to have a consultant help refine business processes, show best practices, or provide other general support.
- All consulting services are billed as used and the scheduling is dependent on staff availability.
 - This LOA is assumed not to exceed \$100,000 – any estimates provided are for budgetary purposes only and final pricing is depending on actual hours or travel expenses used.
 - Once the maximum \$100,000 in this LOA has been used or expired, a new LOA will be needed for any additional hours requested, and should the County decide, may occur into future years as an ongoing service.
 - Travel expenses and travel time for any onsite support will be deducted from this LOA as used.
- The County will request consulting assistance prior to the work starting.
 - The County will open a Teams Support ticket with the request of consulting support. Aumentum Tech will triage and assign the ticket and work will begin.
 - Aumentum Tech will track all requests, office, activity and status.
 - An updated report will be provided monthly or as otherwise requested.
 - Hours are assumed consulting and travel only. No planned deliverables unless otherwise agreed in the individual engagement.
- Aumentum Tech will submit a monthly Deliverable Acceptance Statement (DAS) that documents work authorized during the previous month.
 - DAS will have a 5-day approval period. After the 5-day approval period, this deliverable will be considered accepted and ready for billing unless otherwise documented in a formal response to Aumentum Technologies with detailed rationale for rejecting this milestone.
 - Rejection of a milestone will result in immediate escalation and halt any remaining consulting for further review.
- This LOA will expire 12 months after the last signature date by either party, and any unused, unauthorized hours in this agreement will not be billed. The County may extend the expiration by 6 months upon agreement of both parties or request future LOAs to continue professional services beyond the 12 month period.

Assumptions

Mendocino County CA2014.002-LOA202
Offer Expiration Date: July 26, 2022

- Scheduling of support is dependent on staff availability. Consulting support is provided from 8:00am to 3:00pm PT. Consulting services needed for after-hours, weekends and holidays will be billed at 2x the hourly rate unless otherwise agreed in advance.
- Aumentum Tech will provide coordinators for request authorization, scheduling, tracking, status updates and DAS submission. Coordination time will be added to each monthly DAS, not to exceed 1.5 hours per month.
- County is responsible for providing access to the designated County environment for the work to be performed.
- County is responsible for maintaining the deployment of releases, hotfixes or data fix patches, unless otherwise requested in an assistance request.
- Onsite support must be requested at least 3 weeks in advance, and the County will be responsible for all travel expenses, including a minimum of 8 hours of travel time (billed at \$75 per hour) per round trip and consulting hours for onsite and remote staff (for any trip after July 1, 2022). Aumentum Tech staff travel will be dependent on staff availability
- The budget for this LOA is based on the following assumptions, although the County may choose to forego one or more travel trips in place of additional consulting hours.
 - Estimated budget for 1 person traveling is approximately \$10,000 and includes 40 hours of onsite and remote consulting support, \$600 in travel time (\$75 an hour for 8 hours round trip) and approximately \$2000 in travel expenses
 - This per-trip cost is an estimate only. Actual consulting hours and travel time and costs will be billed as used.
 - The County will approve of any travel before the logistics are booked.
- The County understands that the traveling Aumentum Tech employee may discontinue participation of any portion of this on site County activity including travel to/from, customer visits at the County office or other locations, social events, or any other aspect of the trip if the traveler feels that unsafe practices may be conducted in his/her presence or if it is believed by the traveler that his/her health may be at risk.
- DAS statements will report consulting hours only. Invoices for travel time and expenses will be submitted as travel occurs and tracked on an open Teams Support ticket for history. A summary report of total expenses used and remaining can be provided upon request.
